About Us:

we at darshan enterprise are pleased to introduce ourselves as the leading manufacturer. we all type of supari cutting machine, roaster machine, electric drier - oven, stone less flour mill (gharghanti), powder filling machine, and all type as per requirement machinery manufacturer. & all type areca nut wholesale supplier, we proudly say that we are providing our services with the experience of last 32 years in this field.

we are currently all product supply in many pans shop, pan masala, supari cutting, supari wholesalers, & many more trading companies.

also, would like to highlight here having all the required. hence the ultimate cost of the machinery comes to very competitive and that benefit we provide to our valued customer. therefore, we can surely say that we will be able to supply the machinery at very reasonable rates than from wherever you are purchasing currently. it is therefore kindly requested to know from you how best we can affiliate with your company for providing our services. it is sincerely requested to please contact us for any of your requirement of ultimate solutions.

we assure you for our best services at very competitive rates along with a very best quality of all type machinery solutions.

it is our sincere request to you to give us an opportunity to serve your esteemed organization.

for any further information in this regard, please communicate with the undersigned at your convenience.

thanks, and with warm regards

"our commitment to quality makes people proud working with us"

About Supari (Betel Nut) Cutting Machine :

supai cutting machine

supari cutting machine is designed after deliberate thinking with a view to operate it easily and at a very low cost on account of electricity.

about machine

supari cutting machine runs on a single phase using 0.5 hp to 2 hp electric motor of standard company, machine is exclusive packed so when in operation it generate very low noise and refrains from no injury. supari cutting machine operates on slid hence as per your requirement as cutting comes manually cutting similarity cutting from machine comes with extra finishing. the machine provides multiple options of cutting such as; [granule one cut] - [two cut] – [round slice] thick and thin.....

there is no need of purchase different cutting machine but it all comes in one.

what is multiple cutting?

1. rough 2. mamari cutting 3. bharadiyo cutting 4. chips cutting (one cut)
5. tinpatti cutting (two cut) 6. circul cutting 7. special machine for sali / sadi cutting machine 8. special machine for tukda / fadcha cutting machine
